

CONCEPTIA '26

A robotics quiz. A pitching showdown. A real industry challenge. One unforgettable day.

TODAY'S MISSION: BUILD THE FUTURE.

IDEATE.INNOVATE.BUILD

CONCEPTIA '26 turns one high-energy day into a launchpad for bold student ideas. Teams test their robotics instincts, think clearly under pressure and pitch with confidence. Every challenge rewards originality, practicality and the courage to build something better. Finalists tackle real problem statements supplied by an industry partner. The strongest solutions balance innovation with technical feasibility and real-world impact. Bring your crew, trust your thinking and make your idea impossible to ignore.

14 OCTOBER 2026

8:00 AM - 6:30 PM

VENUE • BMSIT&M CAMPUS

FREE ENTRY • 55 TEAMS

BUILD IT. PITCH IT. MAKE IT MATTER. → REGISTER NOW

EVENT DETAILS & FULL SCHEDULE

Everything your team needs before the first buzzer—from check-in to the final award ceremony.

EVENT	CONCEPTIA '26	ORGANIZED BY	ARMS Club, BMS Institute of Technology and Management
DATE & DURATION	14 October 2026 • 8:00 AM-6:30 PM • hard stop by 7:00 PM	REGISTRATION	Free entry • capped at 55 teams
TEAM SIZE	3-4 members; teams lock after registration	MAIN ROUNDS	Robotics Quiz • Question Selection & Pitching • Ideathon Finals [Total rounds: 3]
FINAL CHALLENGE	5 problem statements supplied by the partner company	PRESENTATION	Poster, PPT or verbal idea pitch with optional visual aids
PRIZE POOL	₹15,000/-	VENUE	BMS Institute of Technology and Management campus, APJ Abdul Kalam Lab

EVENT FLOW • FROM CHECK-IN TO THE FINISH LINE

8:00-9:00 AM	Registration & Check-in	Team check-in, college ID verification and kit distribution
9:00-9:30 AM	Welcome Address	Introduction to ARMS, event overview and rules briefing
9:30-10:00 AM	Round 1: Robotics Quiz	55 teams compete; top 20 advance to Round 2
10:00-10:30 AM	Round 2: Question Release	Questions are released to all qualified teams
10:30-10:45 AM	Question Selection	Teams draw chits for their question and turn number
10:45 AM-12:00 PM	Pitching with Evaluation	20 teams pitch live; top 10 qualify directly for the finals
12:00-12:30 PM	Industry Guest Address	Guest session with the full audience present
12:30-12:45 PM	Results Announcement	Direct finalists are announced
12:45-1:25 PM	Lunch Break	Dedicated 40-minute break for participants and guests
2:00-2:15 PM	Problem Selection & Explanation	Finalists select a problem; company representative explains each statement
2:15-5:00 PM	Round 3 Preparation	Ideation, solution development and pitch preparation
5:00-6:00 PM	Final Evaluation	Strict 3-minute pitch plus optional 2-minute Q&A per team
6:20-6:30PM	Award Ceremony	Prize distribution and closing remarks

The event is scheduled to conclude by 6:30 PM, with a hard stop no later than 7:00 PM.

ROUNDS 1 & 2

The opening rounds test robotics fundamentals, rapid thinking and the ability to communicate a practical idea under pressure.

ROUND 1

ROBOTICS QUIZ

9:30-10:00 AM
TEAM-BASED FUNDAMENTALS QUIZ
TOP 20 ADVANCE

RULES PARTICIPANTS MUST FOLLOW

- All registered teams participate, and the full team answers together as one unit.
- Questions cover robotics components, sensors, actuators, general concepts and applications.
- Each question appears on screen with a fixed answer window.
- Mobile phones, internet access and external reference material are not permitted.
- Answers submitted after the timer ends are not considered.

SCORING & QUALIFICATION

- 1 point for every correct answer.
- No negative marking.
- Ties at the cut-off are broken by total response time; the fastest team with the correct answers advances.
- The leaderboard is displayed at the end of the round.

Qualifying teams move to Round 2.

ROUND 2

QUESTION SELECTION & PITCHING

10:00-10:30 • RELEASE
10:30-10:45 • SELECTION
10:45-12:00 • PITCHING

RULES PARTICIPANTS MUST FOLLOW

- Questions are released to all qualified teams at the start of the round.
- Each team draws a chit, that determines both its assigned question and turn number.
- Teams present in the order drawn; turn numbers cannot be swapped.
- Teams must be present and ready when called. A missed turn forfeits the slot.
- Presentation aids are optional; the idea and its articulation carry the weight.

JUDGING CRITERIA

- Relevance to the assigned question
- Originality and creativity
- Feasibility and practicality
- Clarity and confidence
- Adherence to the allotted time

Top 10 teams qualify directly for the finals.

PITCH SMART

Lead with the problem, show why your idea matters, explain how it can work, and finish with one memorable reason the judges should believe in it.

“The competition doesn’t end when you expect it to. Surprise rounds will give eligible teams another chance. The challenges stay secret until they’re revealed on the day--so stay sharp, stay ready, and expect the unexpected.”

ROUND 3 • IDEATHON FINALS

Finalists turn an industry problem statement into an original, feasible and impactful solution—then defend it before the judges.

FINAL ROUND RULES

2:00-2:15 SELECTION • 2:15-5:00 PREPARATION • 5:00-6:00 EVALUATION

FORMAT

- 5 problem statements are provided by the partner company.
- Pitch: 3 minutes, strictly enforced.
- Q&A: up to 2 minutes, at the judges' discretion.

PARTICIPANT RULES

- Finalists select a problem statement; the company representative explains each statement in detail.
- Teams receive 2 hours 45 minutes to develop and prepare their solution.
- Teams may use a poster, PPT or verbal pitch, with or without visual aids.
- The 3-minute pitch ends at the buzzer; teams are stopped when time expires.
- Every team member must be present, though not everyone must speak.
- Solutions must be original work produced during the event.

FINAL JUDGING LENS

INNOVATION & ORIGINALITY

How novel and creative the proposed solution is.

PROBLEM RELEVANCE

How directly and completely it addresses the statement.

TECHNICAL FEASIBILITY

Whether it can realistically be implemented.

IMPACT & SCALABILITY

Its potential real-world value and reach.

PRESENTATION & CLARITY

How clearly the idea is communicated on time.

Q&A HANDLING

Depth of understanding shown in responses.

₹15,000 PRIZE POOL

1st ₹7,000

2nd ₹5,000

3rd ₹3,000

GENERAL RULES

- 1 Each team must have 3-4 members. Teams cannot be altered after registration.
- 2 Carry a valid college ID and report before the registration deadline.
- 3 Every round follows a strict clock. Teams absent when called forfeit their turn.
- 4 Plagiarism, copied concepts or pre-prepared solutions lead to immediate disqualification.
- 5 Use only permitted devices, materials and resources in each round.
- 6 Keep all content respectful, safe and free from offensive or discriminatory material.
- 7 Treat organizers, judges, guests and fellow teams courteously throughout the event.
- 8 The judges' decision is final. The organizing committee may modify the schedule if required.

READY TO MAKE YOUR MOVE?

Free registration • 55-team cap • ARMS Club, BMS Institute of Technology and Management
Scan the official QR and register before the invention clock runs out.
